

*Your Self-Restoring with
my Violet Flame mantra*

"I AM THAT I AM.

*Aquarius is the age of the Violet Flame,
That we invoke in God's name!
Great Ascended Masters are now awaking us,
So, let New Elementals and Spirits be with us!
And now, in the name of Saint Germain,
Please blaze and expand the Violet Flame!*

*O my cells, muscles, nerves, and bones in 3, 4D,
Let Violet Flame blaze and heal all within me!
I stand for love; I stand for life,
With Violet Flame to end all strife!
Expand God's freedom in my heart today,
Sending your love and blessing my spiritual way!
I am the Violet Flame, in mighty Cosmic Power!
I am the 7th Divine Ray, shining every hour!
I am the Violet Flame, blazing like a sun!
I am God's sacred power restoring everyone!*

*Now let my heart and body vibrate so high,
Restoring my original DNA and 5D to fly!"*

So Be It, and So It Is.

HOW MY MANTRA (PROGRAM) WORKS:

You could bring yourself into a meditative state with great visualization (or deep relaxation, self-hypnosis) and read it as many times as you need. It would be best to read the first paragraph only once to **activate this program**, then continue to read the second paragraph **in a cycle** until you get the feeling /thought it is enough. And continue this program with the third paragraph reading **five times**. Then **close this program** with the last sentence. And you could read it as many days as you need to feel a positive effect. Please trust your intuition about what you do. Enjoy and be strong (mentally, physically, emotionally, energetically, and spiritually).
